Getting Started

When a supervisor gives you instructions, and is not there to watch you, how well do you follow through?

How well do you follow the instructions? Do you adhere to what your supervisor said? Do you find an alternate way to complete the task?

Digging Deeper

Read I Samuel 10:8. God has given Saul specific instructions through the prophet Samuel. What has Saul been asked to do?

Read Samuel 13:1-15. According to this passage, do you believe it was easy for Saul to “go” and “wait”? Why or why not?

Reflect on your own life. How do you react when a situation turns “critical” and you feel “hard-pressed”?

During those times, are you able to seek God and serve Him faithfully?

How did Saul react to his critical situation (v.9-12)?

Read James 4:17. According to this passage, what is sin?

How did Saul sin?

Application

We often think we are free from sin or living rightly, because we aren't killing, lying, committing adultery, stealing, etc. God's word says otherwise. Sin happens when we fail to pursue God.

Do you seek God in every area of your life, or do you act independently of Him?

God gives us a new inner life when we choose to follow Him. However, it is up to us as believers to faithfully pursue Him in all we do.

CHALLENGE

What is a specific situation in your life where you are guilty of the sin of inaction? (Refer back to I Samuel 13:13).

What is one active thing you can do to pursue God within your situation? Be specific!
